Mysore, Bangalore.

Through the Deputy Commissioner, Hassan District.

4466 Sir,

I have the honor to submit that Government have in their order No.1792-802/L.B. 120-17-11, dated 31st July 1918, directed that the charges pertaining to the Vaccination Establishment under the District Boards be met from District Funds on the ground that the income of the District Board has been augmented by the assignment of Mohatarfa and Local Fund General.

With the abolition of Taluk Boards, the income accruing to the District Board from Mohatarfa has been transferred to the Village Panchayets. as a result of which, the District Board has suffered a heavy diminution in its income to the extent of nearly Rs 25,000/ annually. Nevertheless, the charges on account of Vaccination establishment continue to devolve on the District Board as heretofore and an expenditure of Rs 7800/ in round figures is being incurred on this account annually from District Funds.

In consideration of the above altered circumstances, and in view of the present financial position of the Board,

Proceedings of the Specialmeeting of the Hassan District Board, held on Tuesday the 22nd August 1933.

Present

H.B.Gundappa, Esq., B.A., B.L., President, District Board

Ex-officio members. Non-officials. 29.

Considering the question of apportionment charges under Vaccination Establishment between the District Board and the Government in equal proportions.

Resolution. Resolved that the Government be requested to bear one half of the Vaccination charges now being entirely borne by the Board, in view of the fact that Mohatarfa has now been given over to the Village Panchayets since 1927.
